Home Fire Escape Plan

1. Draw a plan for each floor of home
2. Identify two exits from each room
3. Show each exit on the escape plan (doors, windows, stairs)
4. Label areas where anyone sleeps
5. Determine anyone who may need help
6. Identify and clearly mark your outside meeting place
7. Call 9-1-1 once you have left the home
8. Practice your Escape Plan each month
